Specifications:

- Operates on natural gas or propane
- Length 34.1 inches, width 36.0 inches, height 27.3 inches
- Weight of generator is 479 pounds
- Sound level is 65 dB(A) at 23 feet at normal load
- 5 year limited warranty

#### **Cummins QuietConnect™ Home Standby Generator – 17kW (RS17A)**

Features:

- Designed to be extremely quiet and neighborhood friendly
- Built in remote monitoring means you can control your generator from anywhere
- Intelligent load management so you don't have to make choices on which circuits you power
- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise
- Compact and aesthetically pleasing design blends into your landscape
- Can be installed as close as 18" from your home

Specifications:

- Operates on natural gas or propane

- Length 34.1 inches, width 36.0 inches, height 27.3 inches
- Weight of generator is 540 pounds
- Sound level is 65 dB(A) at 23 feet at normal load
- 5 year limited warranty

### **Cummins QuietConnect™ Home Standby Generator – 20kW (RS20A)**

#### Features:

- Designed to be extremely quiet and neighborhood friendly
- Built in remote monitoring means you can control your generator from anywhere
- Intelligent load management so you don't have to make choices on which circuits you power
- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise
- Compact and aesthetically pleasing design blends into your landscape
- Can be installed as close as 18" from your home

#### Specifications:

- Operates on natural gas or propane
- Length 34.1 inches, width 36.0 inches, height 27.3 inches
- Weight of generator is 540 pounds
- Sound level is 65 dB(A) at 23 feet at normal load
- 5 year limited warranty

### **Cummins QuietConnect™ Home Standby Generator – 22kW (RS22)**

#### Features:

- Designed to be extremely quiet and neighborhood friendly
- Compact and aesthetically pleasing design blends into your landscape
- Generator equipped with Cummins PowerCommand electronic control to provide industry leading self-diagnostic capabilities
- Robust design so the generator can handle even the harshest of weather conditions
- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise

#### Specifications:

- Operates on natural gas or propane
- Length 72.0 inches, width 34.0 inches, height 45.5 inches
- Weight of generator is 1109 pounds
- Sound level is 64 dB(A) at 23 feet with sound level 2 enclosure
- Manufacturer's 2 year warranty

### **Cummins QuietConnect™ Home Standby Generator – 25kW (RS25)**

#### Features:

- Designed to be extremely quiet and neighborhood friendly
- Compact and aesthetically pleasing design blends into your landscape
- Generator equipped with Cummins PowerCommand electronic control to provide industry leading self-diagnostic capabilities
- Robust design so the generator can handle even the harshest of weather conditions

- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise

Specifications:

- Operates on natural gas or propane
- Length 72.0 inches, width 34.0 inches, height 45.5 inches
- Weight of generator is 1109 pounds
- Sound level is 64 dB(A) at 23 feet with sound level 2 enclosure
- Manufacturer's 2 year warranty

**Cummins QuietConnect™ Home Standby Generator – 30kW (RS30)**

Features:

- Designed to be extremely quiet and neighborhood friendly
- Compact and aesthetically pleasing design blends into your landscape
- Generator equipped with Cummins PowerCommand electronic control to provide industry leading self-diagnostic capabilities
- Robust design so the generator can handle even the harshest of weather conditions
- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise

Specifications:

- Operates on natural gas or propane
- Length 94.0 inches, width 34.0 inches, height 45.5 inches
- Weight of generator is 1231 pounds
- Sound level is 60 dB(A) at 23 feet with sound level 2 enclosure
- Manufacturer's 2 year warranty

**Cummins QuietConnect™ Home Standby Generator – 36kW (RS36)**

Features:

- Designed to be extremely quiet and neighborhood friendly
- Compact and aesthetically pleasing design blends into your landscape
- Generator equipped with Cummins PowerCommand electronic control to provide industry leading self-diagnostic capabilities
- Robust design so the generator can handle even the harshest of weather conditions
- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise

Specifications:

- Operates on natural gas or propane
- Length 94.0 inches, width 34.0 inches, height 45.5 inches
- Weight of generator is 1294 pounds
- Sound level is 63 dB(A) at 23 feet with sound level 2 enclosure
- Manufacturer's 2 year warranty

**Cummins QuietConnect™ Home Standby Generator – 40kW (RS40)**

Features:

- Designed to be extremely quiet and neighborhood friendly

- Compact and aesthetically pleasing design blends into your landscape
- Generator equipped with Cummins PowerCommand electronic control to provide industry leading self-diagnostic capabilities
- Robust design so the generator can handle even the harshest of weather conditions
- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise

Specifications:

- Operates on natural gas or propane
- Length 94.0 inches, width 34.0 inches, height 45.5 inches
- Weight of generator is 1356 pounds
- Sound level is 63 dB(A) at 23 feet with sound level 2 enclosure
- Manufacturer's 2 year warranty

**Cummins QuietConnect™ Home Standby Generator – 50kW (RS50)**

Features:

- Designed to be extremely quiet and neighborhood friendly
- Compact and aesthetically pleasing design blends into your landscape
- Generator equipped with Cummins PowerCommand electronic control to provide industry leading self-diagnostic capabilities
- Robust design so the generator can handle even the harshest of weather conditions
- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise

Specifications:

- Operates on natural gas or propane
- Length 118.7 inches, width 40.0 inches, height 58.3 inches
- Weight of generator is 2403 pounds
- Sound level is 69.3 dB(A) at 23 feet with sound level 2 enclosure
- Manufacturer's 2 year warranty

**Cummins QuietConnect™ Home Standby Generator – 60kW (RS60)**

Features:

- Designed to be extremely quiet and neighborhood friendly
- Compact and aesthetically pleasing design blends into your landscape
- Generator equipped with Cummins PowerCommand electronic control to provide industry leading self-diagnostic capabilities
- Robust design so the generator can handle even the harshest of weather conditions
- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise

Specifications:

- Operates on natural gas and propane
- Length 118.7 inches, width 40.0 inches, height 58.3 inches
- Weight of generator is 2634 pounds
- Sound level is 69.8 dB(A) at 23 feet with sound level 2 enclosure
- Manufacturer's 2 year warranty

### **Cummins QuietConnect™ Home Standby Generator – 80kW (RS80)**

#### Features:

- Designed to be extremely quiet and neighborhood friendly
- Compact and aesthetically pleasing design blends into your landscape
- Generator equipped with Cummins PowerCommand electronic control to provide industry leading self-diagnostic capabilities
- Robust design so the generator can handle even the harshest of weather conditions
- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise

#### Specifications:

- Operates on natural gas or propane
- Length 118.7 inches, width 40.0 inches, height 58.3 inches
- Weight of generator is 2782 pounds
- Sound level is 70.5 dB(A) at 23 feet with sound level 2 enclosure
- Manufacturer's 2 year warranty

### **Cummins QuietConnect™ Home Standby Generator – 100kW (RS100)**

#### Features:

- Designed to be extremely quiet and neighborhood friendly
- Compact and aesthetically pleasing design blends into your landscape
- Generator equipped with Cummins PowerCommand electronic control to provide industry leading self-diagnostic capabilities
- Robust design so the generator can handle even the harshest of weather conditions
- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise

#### Specifications:

- Operates on natural gas or propane
- Length 118.7 inches, width 40.0 inches, height 58.3 inches
- Weight of generator is 2830 pounds
- Sound level is 71 dB(A) at 23 feet with sound level 2 enclosure
- Manufacturer's 2 year warranty

### **Cummins QuietConnect™ Home Standby Generator – 125kW (RS125)**

#### Features:

- Designed to be extremely quiet and neighborhood friendly
- Compact and aesthetically pleasing design blends into your landscape
- Generator equipped with Cummins PowerCommand electronic control to provide industry leading self-diagnostic capabilities
- Robust design so the generator can handle even the harshest of weather conditions
- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise

#### Specifications:

- Operates on natural gas

- Length 143.0 inches, width 40.0 inches, height 72.0 inches
- Weight of generator is 3915 pounds
- Sound level is 73 dB(A) at 23 feet with sound level 2 enclosure
- Manufacturer's 2 year warranty

### **Cummins QuietConnect™ Home Standby Generator – 150kW (RS150)**

#### Features:

- Designed to be extremely quiet and neighborhood friendly
- Compact and aesthetically pleasing design blends into your landscape
- Generator equipped with Cummins PowerCommand electronic control to provide industry leading self-diagnostic capabilities
- Robust design so the generator can handle even the harshest of weather conditions
- Flexible exercise mode to suit your preference and reduces unnecessary fuel consumption, emissions and noise

#### Specifications:

- Operates on natural gas
- Length 143.0 inches, width 40.0 inches, height 72.0 inches
- Weight of generator is 3915 pounds
- Sound level is 73 dB(A) at 23 feet with sound level 2 enclosure
- Manufacturer's 2 year warranty
